

Subject: Recommendation Letter

17 April 2019

To whom it may concern,

Please accept this letter as a recommendation for the Sunday Blessings team. I have worked alongside them on numerous Orange Sky shifts, and have found them to be a group of people who are very committed to the volunteer work that they do, providing relief for our friends living on the streets in a manner that is supportive, inclusive and genuinely caring.

Sunday Blessings work alongside other service providers such as Orange Sky with good grace and are very approachable and easy to connect with. I fully support their proposed initiative to access a facility that will enable Sunday Blessings and those service providers that they partner with to provide seven meals every week for those in need, at a place and time that is consistent and accessible.

I have no hesitation in endorsing this wonderful service as people who are respectful in their dealings with others, dedicated to helping the community and operating with a high level of transparency and integrity.

Please don't hesitate to contact me should you wish to discuss this further.
